

Community Impact 2024

Community is at the heart of everything that we do at Foundation Murrindindi.

Our success and impact is a reflection of the outcomes from enabling local community organisations to deliver project that matters most to them.

Strengthened social participation and a sense of belonging to more than 900 people through our Connecting Communities Grant Program

Provided startup support to Menzies Support Services which enable them to establish a social enterprise in Alexandra that provides work experience and meaningful life skills for NDIS clients

Distributed over \$26,000 to support community led projects and events

Enabled 18 unique community projects and events to happen across Murrindindi Shire

Over 100 young people benefitted from projects funded through our Youth Mental Health & Wellbeing Grant round
